## The Favorite

IS THE FAVORITE place for the finest liquors only, and the best distillers of the United States Canada and Great Britain are represented. Best brews of Beer, either on draft or in bottles, may be had at all times.  
W. M. Cunningham, Proprietor of this well-known resort, has been in the business for many years, and is a connoisseur in liquors. His establishment is always orderly, and, with the services of his assistant, Mr. Thompson, customers are promptly supplied. Bethel and Hotel streets is a favorite corner for the lovers of cold Beer or fine Wines and Liquors.

## New Year's Day Base Ball.

The Harry Wilder and Al Moore baseball teams are not letting up at all in their practice for the charity baseball game at the league grounds on New Year's day. It should be a close and most interesting contest. The batteries will be Lemon and Davis for Moore and Ginger Mayne and Wilder for Wilder. The net receipts go to the Strangers' Friend Society. All the ball players are becoming very much interested in this game.

## KINDERGARTEN EXERCISES

## Another Christmas Tree Delights Many Pupils.

Wednesday morning about 30 children participated in the Christmas exercises at Miss Pauahi Judd's kindergarten at Emma Square. Many of the mothers and friends of the children were present. The exercises were interesting. They included the Christmas songs and recitations which had been prepared for the occasion and were much appreciated by the children and the spectators.

The chief interest of course was centered in the tree. This was prettily decorated with the little gifts for the pupils and their parents. The little gifts which the children had prepared for their parents were examples of the skill which results from careful training in approved kindergarten methods, and were the work of the deft fingers of the children themselves. Among them were baskets and worked cards and little articles of ornament.

Santa Claus, impersonated by Lieut. Andrews of Admiral Miller's staff, was received with enthusiasm. Each pupil received an appropriate gift. The forenoon's entertainment was much enjoyed by those present. The manner in which the exercises were rendered indicated the success which has attended the work of Miss Judd and her assistant, Miss Fuller.

## Baltimore Minstrels.

Another rehearsal was held by the Baltimore minstrel troupe at the opera house yesterday. All the performers are "pat" in their songs, "gags" and specialties. The sketch work was of the finest and most finished order. Everything will be new in this show and here will be some genuine surprises. Twenty per cent. of the gross proceeds go to the Strangers' Friend Society. It now seems certain that the house will be crowded to the doors tomorrow night.

## To See a New Road.

Superintendent of Public Works Rowell and Chas. Dwight left for Makana on the Claudine yesterday. They will make a quick trip to Makawao, there to inspect a new road recently completed under the superintendence of Mr. Dwight. The two men are very anxious to get back home for Christmas, and, if possible, will catch the Noeau, due tonight.

## Busy on the Baltimore.

There were lively times aboard the U. S. F. S. Baltimore yesterday afternoon. The order from Captain Dyer was to clear the ship for action. Everything was taken away that could possibly interfere with work at the guns or their utmost efficiency. An inspection followed the clearing for action.

## HOW TO PREVENT PNEUMONIA.

At this time of the year a cold is very easily contracted, and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction—Olga, Ind. Ter. Chief.

This is the only remedy that is known to be a certain preventive of pneumonia. Among the many thousands who have used it for colds and la grippe, we have never yet learned of a single case having resulted in pneumonia. Persons who have weak lungs or have reason to fear an attack of pneumonia, should keep the remedy at hand. For sale by all druggists and dealers, Benson, Smith and Co., agents for Hawaiian Islands.

## YES! WE ARE

THE IGNORANT PIE AND CAKE MAKERS OF HONOLULU.

After 18 years of experience in our trade, we refuse to learn how to use stale eggs and vile compounds, of various names, so that a very liberal quantity of ammonia, alum and salt-petre must be used to kill the horrible aroma and taste of the bad material. In our "Ignorance" we use only the freshest of eggs and pure leaf lard, put up by the Western Meat Company of San Francisco, (after they received our order by the Australia), and sent by return steamer. If you are wanting pies or cakes we are pleased to show you the material our goods are made from. Our pies are said to excel Swains, by those who have used both. Our sweet yeast bread is something new in this market. We have only used it for two and a half months and have never had the slightest sign of that sour taste which is so troublesome in this climate.

Honolulu 7th Sept., 1897.

Baking powder at 25 cents or 30 cents a pound never ought to have been sold, because good baking powder is cheaper—does more for the money.

But now as the good times are coming back—as the newspapers say—the excuse for cheap baking powders is even less than ever.

Your money back if you don't like Schilling's Best—at your grocer's.
